Nor does any party represent that use of the data contained herein would not infringe upon privately owned rights without obtaining permission or authorization from any party who has any rights in connection with the data.

J. PROVISIONS RELATING TO DATA.

1. "Data" as used in this Contract means recorded information, regardless of form or characteristics, of a scientific or technical nature. It may, for example, document research, experimental, developmental or engineering work; or be usable or be used to define a design or process; or support a premise or conclusion asserted in any deliverable document called for by this Contract. The data may be graphic or pictorial delineations in media, such as drawings or photographs, charts, tables, mathematical modes, collections or extrapolations of data or information, etc. It may be in machine form, as punched cards, magnetic tape, computer printouts, or may be retained in computer memory.
2. "Proprietary data" is such data as the Contractor has identified in a satisfactory manner as being under Contractor's control prior to commencement of performance of this Contract and which has been reasonably demonstrated as being of a proprietary force and effect at the time this Contract is commenced.
3. "Generated data" is that data which a Contractor has collected, collated, recorded, deduced, read out or postulated for utilization in the performance of this Contract. Any electronic data processing program, model or software system developed or substantially modified by the Contractor in the performance of this Contract at State expense, together with complete documentation thereof, shall be treated in the same manner as generated data.
4. "Deliverable data" is that data which under terms of this Contract is required to be delivered to the State. Such data shall be property of the State.
5. "Generated data" shall be the property of the State unless and only to the extent that it is specifically provided otherwise herein.
6. The title to Contractor's proprietary data shall remain in the Contractor's possession throughout the term of this Contract and thereafter. As to generated data which is reserved to the Contractor by express terms of this Contract and as to any preexisting or proprietary data which has been utilized to support any premise, postulate or conclusion referred to or

expressed in any deliverable hereunder, Contractor shall preserve the same in a form which may be introduced in evidence in a court of competent jurisdiction at Contractor's own expense for a period of not less than three years after receipt by the State of the final report or termination of this Contract and any and all amendments hereto, or for three years after the conclusion or resolution of any and all audits or litigation relevant to this Contract, whichever is later.

7. Prior to the expiration of such time and before changing the form of or destroying any such data, Contractor shall notify State of any such contemplated action; and State may within 30 days after said notification determine whether it desires said data to be further preserved and, if State so elects, the expense of further preserving said data shall be paid for by the state. Contractor agrees that State shall have unrestricted reasonable access to the same during said three-year period and throughout the time during which said data is preserved in accordance with this Contract, and Contractor agrees to use best efforts to furnish competent witnesses or to identify such competent witnesses to testify in any court of law regarding said data.

K. APPROVAL OF PRODUCT. Each product to be approved under this Contract shall be approved by the Contract Manager. The State's determination as to satisfactory work shall be final absent fraud, mistake or arbitrariness.

L. SUBSTITUTIONS. Contractor's key personnel as indicated in its proposal may not be substituted without Contract Manager's prior written approval.

M. NOTICE. Notice to either party may be given by first class mail properly addressed, postage fully prepaid, to the address beneath the name of each respective party. Such notice shall be effective when received as indicated by post office records or if deemed undeliverable by post office, such notice shall be effective nevertheless 15 days after mailing. Alternatively, notice may be given by personal delivery by any means whatsoever to the party, and such notice shall be deemed effective when delivered.

N. WAIVER. No waiver of any breach of this Contract shall be held to be a waiver of any other or subsequent breach. All remedies afforded in this Contract shall be taken and construed as cumulative; that is, in addition to every other remedy provided therein or by law. The failure of State to enforce at any time the provisions of this Contract, or to require at any time performance by the Contractor of any of the provisions, shall in no way be construed to be a waiver of such provisions not to affect the validity of this Contract or the right of State to enforce said provisions.

O. GRATUITIES AND CONTINGENCY FEES. The State, by written notice to the Contractor, may terminate the right of Contractor to proceed under this Contract if it is found, after notice and hearing by the State, that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the State with a view toward securing a contract or securing favorable treatment with respect to the awarding, amending, or performing of such contract, provided that the existence of the facts upon which the State makes such findings that shall be an issue may be reviewed in any competent court.

In the event this Contract is terminated as provided in the paragraph above, State shall be entitled (a) to pursue the same remedies against Contractor as it could pursue in the event of the breach of the Contract by the Contractor, and (b) as a predetermined amount of liquidated damages in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount which shall be not less than three times the cost incurred by the Contractor in providing any such gratuities to any such officer or employee.

The rights and remedies of the State provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

The Contractor warrants by execution of this Contract that no person or selling agency has been employed or retained to solicit or secure this Contract upon an Contract or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees of Contractor, for the purpose of securing business. For breach or violation of this warranty, the State shall have the right to annul this Contract without liability, paying only for the values of the work actually returned, or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

P. INSURANCE. Contractor hereby warrants that it carries and shall maintain in full force and effect during the full term of this contract and any extensions to said term:

Sufficient and adequate Worker's Compensation Insurance for all of its employees who will be engaged in the performance of this Contract and agrees to furnish to State satisfactory evidence thereof at any time the State may request the same; and

State will reimburse Contractor for travel of said personnel at the contract rates for such testimony as may be requested by State.
- T. **EQUAL EMPLOYMENT OPPORTUNITY.** If this Contract provides for payment in excess of \$10,000 during the performance of this Contract, the Contractor agrees to comply with the provisions of Executive Order 11246 entitled "Equal Employment Opportunity" as amended by Executive Order 11375 and as supplemented in Department of Labor regulations. (41 CFR Part 60)
- U. **DVBE.** Unless specifically waived by the Deputy Director of Administrative Services of the Department of Mental Health, Contractor shall comply with the Disabled Veteran Business Enterprises participation goal in accordance with the provisions of Public Contract Code Section 10115 et seq.
- V. **FORCE MAJEURE.** Neither the State nor the Contractor shall be deemed to be in default in the performance of the terms of this Contract if either party is prevented from performing the terms of this Contract by causes beyond its control, including without being limited to: acts of God, interference, rulings or decision by municipal, Federal, State or other governmental agencies, boards or commissions; any laws and/or regulations of such municipal, State, Federal, or other governmental bodies; or any catastrophe resulting from flood, fire, explosion, or other causes beyond the control of the defaulting party. If any of the stated contingencies occur, the party delayed by force majeure shall immediately give the other parties written notice of the cause of delay. The party delayed by force majeure shall use reasonable diligence to correct the cause of the delay, if correctable, and if the condition that caused the delay is corrected, the party delayed shall immediately give the other parties written notice thereof and shall resume performance under this Contract.
- W. **PERMITS AND LICENSES.** The Contractor shall procure and keep in full force and effect during the term of this Contract all permits, registrations and licenses necessary to accomplish the work specified in this Contract, and give all notices necessary and incident to the lawful prosecution of the work.
- The Contractor shall keep informed of, observe, comply with, and cause all of its agents and employees to observe and comply with all prevailing Federal, State, and local laws, and rules and regulations made pursuant to said Federal, State, and local laws, which in any way affect the conduct of the work of this Contract. If any conflict arises between provisions of the plans and specifications and any such law above referred to, then the Contractor shall immediately notify the State in writing.
- X. **LITIGATION.** The State, promptly after receiving notice thereof, shall notify the Contractor in writing of the commencement of any claim, suit, or action against the State or its officers or employees for which the contractor must provide indemnification under this Contract. The failure of the State to give such notice, information, authorization or assistance shall not relieve the Contractor of its indemnification obligations. The Contractor shall immediately notify the State of any claim or action against it which affects, or may affect, this Contract, the terms and conditions hereunder, or the State, and shall take such action with respect to said claim or action which is consistent with the terms of this Contract and the interest of the State.
- Y. **SEVERABILITY.** If any provision of this Contract is held invalid by a court of competent jurisdiction, such invalidity shall not affect any other provision of this Contract and remainder of this Contract shall remain in full force and effect. Therefore, the provisions of this Contract are and shall be deemed to be severable.
- Z. **DISPUTES.** Contractor shall first discuss and attempt to resolve any dispute arising under or relating to the performance of this Contract, which is not disposed of by the Contract, informally with the DMH Contract Manager. Pending the final decision by the Deputy Director of Administration or his/her designee, the Contractor shall proceed diligently with the performance of the Contract. Neither the pendency of a dispute, nor its consideration by the Deputy Director of Administration, will excuse the Contractor from full and timely performance of the services required in accordance with the terms of the contract.

This requirement shall not interfere with or require a violation of a collective bargaining Contract, a federal affirmative action obligation for hiring disabled veterans of the Vietnam era, or nondiscrimination compliance laws of California and does not require the employment of unqualified recipients of aid.

EE. TERMINATION. Unless otherwise specified, either party may terminate this Contract by giving 30 days written notice to the other party. The notice of termination shall specify the effective date of termination.

Upon the Contractor's receipt of notice of termination from the State, and except as otherwise directed in the notice, the Contractor shall:

Exhibit E

HIPAA BUSINESS ASSOCIATE PROVISIONS

1. Recitals

- A. It has been determined that a business associate relationship exists between the Department of Mental Health (DMH) and the contractor under the Health Insurance Portability and Accountability Act ("HIPAA") and its implementing privacy and security regulations at 45 CFR Parts 160 and 164 ("the HIPAA regulations:").

- B. DMH may wish to disclose to Business Associate certain information pursuant to the terms of this Agreement, some of which may constitute Protected Health Information ("PHI").
- C. "Protected Health Information" or "PHI" means any information, whether oral or recorded in any form or medium that relates to the past, present, or future physical or mental condition of an individual, the provision of health and dental care to an individual, or the past, present, or future payment for the provision of health and dental care to an individual; and that identifies the individual or with respect to which there is a reasonable basis to believe the information can be used to identify the individual. PHI shall have the meaning given to such term under HIPAA and HIPAA regulations, as the same may be amended from time to time.
- D. Under this Agreement, Contractor is the Business Associate of DMH and provides services, arranges, performs or assists in the performance of functions or activities on behalf of DMH and uses or discloses PHI.
- E. DMH and Business Associate desire to protect the privacy and provide for the security of PHI disclosed pursuant to this Agreement, in compliance with HIPAA and HIPAA regulations and other applicable laws.
- F. The purpose of these Provisions is to satisfy certain standards and requirements of HIPAA and the HIPAA regulations.
- G. The terms used in these Provisions, but not otherwise defined, shall have the same meanings as those terms in the HIPAA regulations.

In exchanging information pursuant to this Agreement, the parties agree as follows:

Permitted Uses and Disclosures of PHI by Business Associate

- A. *Permitted Uses and Disclosures.* Except as otherwise indicated in these Provisions, Business Associate may use or disclose PHI only to perform functions, activities or services specified in this Agreement, for, or on behalf of DMH, provided that such use or disclosure would not violate the HIPAA regulations, if done by DMH.
- B. *Specific Use and Disclosure Provisions.* Except as otherwise indicated in these Provisions, Business Associate may:
- (1) *Use and disclose for management and administration.* Use and disclose PHI for the proper management and administration of the Business Associate or to carry out the legal responsibilities of the Business Associate, provided that disclosures are required by law, or the Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and will be used or further disclosed only as required by law or for the purpose for which it was disclosed to the person, and the person notifies the Business Associate of any instances of which it is aware that the confidentiality of the information has been breached.
 - (2) *Provision of Data Aggregation Services.* Use PHI to provide data aggregation services to DMH. Data aggregation means the combining of PHI created or received by the Business Associate on behalf of DMH with PHI received by the Business Associate in its capacity as the Business Associate of another covered entity, to permit data analyses that relate to the health care operations of DMH.

Responsibilities of Business Associate

Business Associate agrees:

- A. *Nondisclosure.* Not to use or disclose Protected Health Information (PHI) other than as permitted or required by this Agreement or as required by law.
- B. *Safeguards.* To implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the protected health information, including electronic PHI, that it creates, receives, maintains or transmits on behalf of DMH; and to prevent use or disclosure of PHI other than as provided for by this Agreement. Business Associate shall develop and maintain a written information privacy and security program that includes administrative, technical and physical safeguards appropriate to the size and complexity of the Business Associate's operations and the nature and scope of its activities. Business Associate will provide DMH with information concerning such safeguards as DMH may reasonably request from time to time.
- C. *Mitigation of Harmful Effects.* To mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of PHI by Business Associate or its subcontractors in violation of the requirements of these Provisions.

- D. *Reporting of Improper Disclosures.* To report to the DMH Privacy Officer within one business day, (916) 654-0497, of discovery by Business Associate that PHI has been used or disclosed other than as provided for by this Agreement and these Provisions.
- E. *Notification of Electronic Breach.* During the term of this Agreement, to notify DMH immediately upon discovery of any breach of security of PHI in computerized form if the PHI was, or is reasonably believed to have been, acquired by an unauthorized person. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HIPAA regulations and other applicable laws relating to the security or privacy of PHI. Upon DMH's request, Business Associate agrees to promptly enter into negotiations with DMH concerning an amendment to these Provisions embodying written assurances consistent with the standards and requirements of

- G. *No Waiver of Obligations.* No change, waiver or discharge of any liability or obligation hereunder on any one or more occasions shall be deemed a waiver of performance of any continuing or other obligation, or shall prohibit enforcement of any obligation, on any other occasion.
